It is not often, in fact it is rather rare, that I can give praise to any employee of any firm or company but on this occasion I must give praise to your employee Greg.

His co-operation, willingness and tidy work ethic while installing the new filter system was something to be envied and certainly beyond reproach. There is no doubt in our mind that he is an asset to your company.

Please forward our thanks to him, and please use this testimonial should the occasion arise.

Regards
